SPIRITUALLY BASING: HEAVEN, LOWING A FUROUS WIND AROUND A STILL GROWING TREE

When I am sky being, wind and trees growing and lowing in the wind;

Then I am herding and stopping the virtues of firmness and vigorousness with principles that irritate and infuriate those inclinations).

Inside, I am serving the wisdom of heaven's leading impulse (softly descending to yield heaven on earth by being led by heaven and submitting myself to the principles of the way of heaven); and

Outside, I am a continuously growing tree of earth's heavenly yield (making my pattern and virtues marvelous and beautiful).
